ONE BELT ONE ROAD VISUAL ARTS EXHIBITION

12 April 2016 - 16 April 2016 | Hong Kong

Sotheby's Hong Kong is proud to be the venue sponsor of the One Belt One Road Visual Arts Exhibition on 12 - 16 April, organized by The Hong Kong Federation of Women.

The ancient Silk Road has left a precious legacy of arts and culture. Curated by Pansy Ho, this exhibition unites the voices of today's women who trace their own heritage to this region and reconnect to its history through contemporary art practice. Embracing the spirit of the Belt and Road Initiative, the exhibition reawakens the diversity of culture, language and art through the eyes of women throughout history, today and for our future.
